6.2 LIST OF EIR PREPARERS

This EIR was prepared by EIP Associates, under contract to the City of Lake Forest. Assisting EIP Associates in this task was one subconsultant (Austin Foust Associates, Traffic Engineering), City of Lake Forest staff members, public service providers, and the Project Applicants. The following specific organizations, agencies, and persons were directly involved in the preparation of this EIR.

It is recognized that no one individual can be an expert in all of the environmental analysis presented in this EIR. Consequently, an interdisciplinary team, consisting of technicians and experts in various issue areas, was required to prepare and complete this study. Table 6-2 provides a list of EIR preparers.
